

Program of Landscape Architecture

Situation Report & Strategic Briefing

Date: June 29, 2026 | Prepared by: W. Chris Harrison, MLA, ASLA

Meeting Attendees: Dr. Niroj Aryal (Department Head, NRED) • Perry Howard (Strategic Advisor) • W. Chris Harrison (Program Coordinator, LA)

1 Fall 2026 Enrollment — Live Data (as of June 25, 2026)

40

TOTAL ADMITTED

12

DEPOSITED

10

REGISTERED

28

NOT YET DEPOSITED

Pipeline Breakdown

Freshmen	33
Transfers	7
In-State (NC)	22
Out-of-State	18
Average GPA	3.72

Geographic Distribution (Out-of-State)

Maryland	4
Virginia	4
Other (IN, IL, AR, CO, GA, SC, NY, FL, PA)	10

REVENUE NOTE

18 out-of-state students @ ~\$26K tuition vs. ~\$8K in-state = significant tuition revenue differential.

✓ **Confirmed Class — Deposited & Registered (10 Students)**

#	STUDENT	STATE	GPA	TYPE	HOURS
1	Bishop, Kendyll	NC	3.78	Freshman	16
2	Cradle, Logan Denise	NY	3.50	Freshman	16
3	Jeremy Baez, Mariliz	NC	3.14	Freshman	16
4	Smith, D'Asia Anise	NC	3.70	Freshman	16
5	Vasquez, Aaliyah Shanae	VA	3.95	Freshman	17
6	Armstrong, Lloyd	NC	3.19	Transfer	12
7	Collins, Casey	NC	—	Transfer	12
8	Craig, Amy	FL	—	Transfer	17
9	Lotz, Therese	NC	—	Transfer	16
10	Wilson, Erin Kathleen	NC	—	Transfer	16

⚠️ YIELD MANAGEMENT NEEDED

28 admitted students (70%) have NOT deposited. Top uncommitted targets by GPA: Ingrid Mack (4.89, SC), Favour Okodua-Oboh (4.78, MD), Mei Lin Brown (4.25, NC), Andrea Gonzalez-Miranda (4.20, NC), Maxwell Cleveland (4.00, GA). Personal outreach by James Davis should begin immediately.

⚠️ 2 DEPOSITED STUDENTS NOT YET REGISTERED

Browning, Akaila N (NC, 3.10 GPA) and Goldsmith-Powell, Quaezhar (NC, 3.50 GPA) have deposited but are NOT registered for classes. They need NSO immediately.

🔥 CRITICAL: CAPACITY PLANNING IF MORE DEPOSITS ARRIVE

With 28 admitted students still uncommitted and 6 weeks until Fall classes, **every new deposit increases pressure** on three fronts:

1. MULTIPLE SECTIONS NEEDED: LDAR 147 (Design Foundations) has **only 1 seat left** in a room that holds 16. If even 2–3 more students deposit, a **second section of LDAR 147 is mandatory**. Dr. Yang would need to teach two sections — requiring a second room and adjusted schedule. LDAR 103 (Discovery) also only has 7 seats remaining.

2. STUDIO SPACE: Carver Hall studios are already at or near capacity. CARVE 211 (16 seats) is maxed. CARVE 122 (20 seats) has LDAR 247 at 13/20. If freshman enrollment exceeds 16, we have **no overflow studio space** without displacing upper-level cohorts. Pin-up, review, and breakout space is already inadequate.

3. LAPTOPS & EQUIPMENT: Every freshman needs access to Civil 3D, Adobe CC, SketchUp, and Land F/X. Current laptop inventory and software license count were sized for 10–15 freshmen. **At 15+ freshmen, we need additional laptops and license seats immediately.** Lead time for university procurement is typically 4–6 weeks — which means orders must go in NOW.

✓ PROPOSED STAFFING SOLUTION

To maintain the **15:1 studio ratio** and absorb additional freshmen:

1. Hire Perry Howard as Adjunct — Perry takes over **LDAR 347 Landform & Stormwater Studio** (MWF 9–11:50), which **frees Christin Evans** from that course to take on the freshman section.

2. Christin Evans teaches LDAR 147 Section 2 — With Christin freed from LDAR 347, she picks up a **second section of LDAR 147 (Freshman Studio)** for overflow freshmen beyond the 16-seat cap in CARVE 211. Christin can only teach freshman-level courses.

Note: LDAR 380 (Master Planning Field Study) is **not offered Fall 2026** under the new curriculum. It is currently in Banner and needs to be cancelled.

Net effect: Perry's hire directly enables the freshman capacity expansion. Total FTE rises to **6.0** — above LAAB minimum of 5.

2 Faculty & Staffing

Full-Time Faculty

NAME	RANK	ROLE	COHORT ASSIGNMENT
Dr. Niroj Aryal	Department Head	Administration & Oversight	—
W. Chris Harrison	Program Coordinator	Freshman Cohort	LDAR 147 Sec 3, LDAR 170 Sec 3, LDAR 400 Internship (remote)
Dallas C. Bretzman	Full-Time Lecturer	Sophomore Cohort Lead	Sophomores (LDAR 248, 244)
Jeffrey A. Kuehner	Full-Time Lecturer	Junior Cohort Lead	Juniors (LDAR 348, 349)
Dr. Jun Yang ✓ CONFIRMED	Tenure-Track Asst Prof	Freshman Cohort Lead	Freshmen (LDAR 147/148, 170/171)

Adjunct Faculty

Anna Reaves	LDAR 103, 104, 255
Christin Evans	LDAR 147 Sec 2 + LDAR 170 Sec 2 — freshman only
Preston Montague	LDAR 299, 442
Perry Howard NEW PROPOSED	LDAR 347 Landform & Stormwater Studio (MWF 9–11:50)

Staff

Leavie James Davis	Logistics & Operations / Recruitment Lead
--------------------	--

FTE Calculation

W. Chris Harrison	1.0 FTE
Jeff Kuehner	1.0 FTE
Dallas Bretzman	1.0 FTE
Dr. Jun Yang (incoming)	1.0 FTE
Full-Time Subtotal	4.0 FTE
Anna Reaves (adjunct)	0.5 FTE
Christin Evans (adjunct)	0.5 FTE
Preston Montague (adjunct)	0.5 FTE
Current Total	5.5 FTE ✓
+ Perry Howard (proposed adjunct)	+0.5 FTE
Projected Total	6.0 FTE ✓

LAAB MINIMUM EXCEEDED

6.0 FTE exceeds the LAAB accreditation minimum of 5 instructional FTEs.

DR. YANG ONBOARDING

Start date: **August 14, 2026** (campus arrival Aug 10). Action needed: computer setup (Mr. Davis → Mr. Brown), office assignment, Banner/Blackboard course access, LDAR 147 & 170 instructor assignment in Banner.

3 Fall 2026 Course Schedule — Official Banner Data

SOURCE: OFFICIAL BANNER EXPORT (PROVIDED BY DR. ARYAL, JUNE 29, 2026)

13 sections across 4 faculty + 3 adjuncts. All rooms in Carver Hall. Total enrollment: 137 student-seats filled.

Room Usage in Carver Hall

Room Usage in Carver Hall

ROOM	CAP	COURSES ASSIGNED	TIME CONFLICTS?
CARVE 122	20	LDAR 247 (MWF 9–11:50), LDAR 345 (TR 9:30–10:45)	None
CARVE 165	34	LDAR 299 (TR 11:00–12:15)	None
CARVE 203	13	LDAR 440 (TR 11:00–12:15) — <i>LDAR 380 cancelled</i>	None
CARVE 205	40	LDAR 447 (MWF 9–11:50)	None
CARVE 211	16	LDAR 147 (MWF 10:00–11:50) — 15 OF 16 SEATS FILLED	At capacity

IMMEDIATE ACTION REQUIRED

- **LDAR 440** (CRN 10558) — CLOSED, 0 seats. Cap is only 7 in a room that holds 13. Increase cap or add second section.
- **LDAR 147** (CRN 10554) — Only 1 seat remaining of 16. Room cap is also 16. Second section is mandatory if more deposits arrive. Instructor listed as Harrison, needs reassignment to Dr. Yang.
- **LDAR 170** (CRN 10192) — Instructor listed as Harrison, needs reassignment to Dr. Yang.

Proposed Fall 2026 Master Schedule (Coordinator's Plan)

SOURCE: W. CHRIS HARRISON SCHEDULE GRID, PRE-INFLUX PLANNING

This is the target schedule with all faculty assignments. Color-coded by instructor. **LDAR 347** (Perry Howard,) and **LDAR 147 Sec 2** (Christin Evans,) are proposed additions.

TIME	MONDAY / WEDNESDAY / FRIDAY				TUESDAY / THURSDAY				
9:00–11:50	LDAR 447 Collaborative Studio Jeff Kuehner CARVE 205	LDAR 347 Landform Studio Perry Howard CARVE TBD	LDAR 247 Social Systems Dallas Bretzman CARVE 122	CARVE 203 available	No TR studios in this block				
9:30–10:45	Studios continue above				LDAR 455 Current Issues Kuehner	LDAR 204 Plant Materials Dallas	LDAR 345 Site Systems TBD CARVE 122	LDAR 103 LA Discovery Anna	
10:00–11:50	Studios continue	LDAR 147 Sec 1 Dr. Yang CARVE 211	LDAR 147 Sec 2 Christin TBD	LDAR 147 Sec 3 Chris H. TBD	No TR courses in this block				
11:00–12:15	MWF block open				LDAR 440 Proposals Kuehner CARVE 203	LDAR 400 181 Gap Dallas	LDAR 170 Sec 1 Dr. Yang	LDAR 170 Sec 2 Christin	LDAR 170 Sec 3 Chris H.

FRESHMAN INSTRUCTOR TEAM — 15:1 RATIO STRATEGY

3 sections of LDAR 147 (Design Foundations, MWF 10–11:50) + **3 sections of LDAR 170** (Graphics I, TR 11–12:15)

Each instructor takes 1 section of each = max **45 freshmen** at 15:1 ratio

- **Dr. Jun Yang** — LDAR 147 Sec 1 + LDAR 170 Sec 1
- **Christin Evans** — LDAR 147 Sec 2 + LDAR 170 Sec 2
- **W. Chris Harrison** — LDAR 147 Sec 3 + LDAR 170 Sec 3 + **LDAR 400 Internship** (remote reporting, upper-level gap coverage — over credit hours accepted)

Spring 2027 — New Curriculum Schedule (Coordinator's Plan)

NEW CURRICULUM COURSE NUMBERS TAKE EFFECT SPRING 2027.

Shows the full-year faculty loading and new even-numbered course sequence (148, 248, 348, 448). Note: Christin teaches freshman courses (LDAR 104, LDAR 400 Con. Docs gap) — consistent with freshman-only scope.

TIME	MONDAY / WEDNESDAY / FRIDAY			TUESDAY / THURSDAY				
9:00–11:50	LDAR 448 Capstone Project <i>Jeff Kuehner</i>	LDAR 348 Master Plan Studio <i>TBD</i>	LDAR 248 Ecological Systems <i>Dallas Bretzman</i>	No TR studios in this block				
9:30–10:45	Studios continue above			LDAR 249 Con. Documents <i>Jeff</i>	LDAR 244 Design w/ Plants <i>Dallas</i>	LDAR 349 GIS Applications <i>TBD</i>	LDAR 104 LA History <i>Christin</i>	
10:00–11:50	Studios continue	LDAR 148 Sec 1 <i>Dr. Yang</i>	LDAR 148 Sec 2 <i>Christin</i>	LDAR 148 Sec 3 <i>Chris H.</i>	No TR courses in this block			
11:00–12:15	MWF block open			LDAR 442 Design in Practice <i>Jeff</i>	LDAR 181 Materials & Con. <i>Dallas</i>	LDAR 171 Sec 1 <i>Dr. Yang</i>	LDAR 171 Sec 2 <i>Christin</i>	LDAR 171 Sec 3 <i>Chris H.</i>

NEW CURRICULUM COURSE KEY (SPRING 2027)

Freshman: LDAR 104 (History), LDAR 148 (Fundamentals), LDAR 171 (Graphics II)

Sophomore: LDAR 244 (Design w/ Plants), LDAR 248 (Ecological Systems Studio), LDAR 249 (Construction Docs)

Junior: LDAR 348 (Master Plan Studio), LDAR 349 (GIS Applications)

Senior: LDAR 442 (Design in Practice), LDAR 448 (Capstone Project Studio)

Support: LDAR 181 (Materials & Construction), LDAR 255 (Design Theory), LDAR 400 (Con. Docs Gap)

Dr. Aryal's Proposed Tenure Standards — Feedback Discussion

Appendix G: Discipline-Specific Standards for Landscape Architecture

TIER	EQUIVALENT TO	EXAMPLES
Tier 1 (Refereed/Juried)	Peer-reviewed journal articles	Juried competitions, peer-reviewed exhibitions, built landscapes, published design studies
Tier 2 (Non-Refereed)	Conference papers, reports	Invited exhibitions, community design projects, technical reports, feasibility studies
Tier 3 (Supporting)	Working papers, presentations	Pedagogical innovations, unjuried shows, local projects, portfolio documentation

Quantitative Benchmarks (5-Year Cycle)

TARGET RANK	TIER 1	TIER 2	TOTAL	GRANT PROPOSALS	FUNDED
Asst → Associate (Tenure)	3	4	7	5	2
Associate → Full	5	5	10	7	3

Recommended Feedback Points

- ☐ **SUPPORT** Appendix G approach — embeds LA criteria in CAES framework officially
- ☐ **SUPPORT** 3-Tier system — add explicit NC A&T examples (CELA papers, community charrettes, digital tools)
- ☐ **DISCUSS** Grant benchmarks — 5 proposals / 2 funded may be aggressive given 1 post-award specialist for entire College. Consider 3 proposals / 1 funded as minimum
- ☐ **SUPPORT** Design equivalency credits — major built work = 2 Tier 1 outputs (industry standard)
- ☐ **ADD** Digital scholarship category — AI tools, interactive platforms, digital twins as Tier 1 when externally evaluated
- ☐ **ADD** External reviewer requirement — at least 1 reviewer from LAAB-accredited program for all LA tenure cases
- ☐ **ADD** Explicit LAAB alignment language — reference accreditation standards directly

5

Accreditation & Resource Needs

LAAB Requirements

Instructional FTEs	5.0  (minimum 5)
Studio Ratio	15:1 or better
Workload	3 courses (9 cr) / semester

Resource Needs

Studio space expansion	Critical
Software licenses (Civil 3D, Land F/X, Adobe CC)	Needed
Scholarship funding (currently \$26,530/yr)	Dept. Head — explore grants (USDA, LAF, ASLA) to supplement
Post-award grant specialist	Shared (1 for College)

Proposed Space Expansion Solutions

CARVE 213 — CONVERT PRESENTATION ROOM TO STUDIO

Repurpose CARVE 213 (currently a presentation/review room) as an additional studio space. This immediately adds capacity for a freshman or sophomore section without requiring new construction. Room would need drafting tables, power strips, and network drops.

C.H. MOORE BUILDING — RELOCATE SENIORS

Move senior cohort (LDAR 447/448 Collaborative/Capstone Studio) to C.H. Moore. Benefits: better parking access, proximity to farm equipment and site resources, larger floor plates. **Only requirement:** update existing computers with necessary software (Civil 3D, Adobe CC, Land F/X, SketchUp). This frees CARVE 205 (40 seats) for lower-level studios.

6 Action Items

● This Week (Critical)

- ☐ **P0** Contact 28 un-deposited LA admits — personal calls/emails to high-GPA prospects **JAMES DAVIS**
- ☐ **P0** Get Browning & Goldsmith-Powell registered for classes (deposited, not registered) **JAMES DAVIS**
- ☐ **P0** LDAR 147 — open 3 sections (Yang, Christin, Harrison) for 15:1 ratio **DR. ARYAL**
- ☐ **P0** LDAR 170 — open 3 sections (Yang, Christin, Harrison) for 15:1 ratio **DR. ARYAL**
- ☐ **P0** Cancel LDAR 380 (CRN 10768) — not in new curriculum **DR. ARYAL**
- ☐ **P0** Hire Perry Howard as adjunct for LDAR 347 Landform Studio **DR. ARYAL**
- ☐ **P0** Assign Dr. Yang to LDAR 147 & 170 in Banner **DR. ARYAL**
- ☐ **P0** Dr. Yang computer & office setup **JAMES DAVIS → MR. BROWN**

● Next 2 Weeks

- ☐ **P1** Verify room assignments for incoming students **HARRISON**
- ☐ **P1** Studio space plan — physical accommodation for confirmed students **HARRISON**
- ☐ **P1** Create LDAR 400 sections in Banner for Fall and Spring **DR. ARYAL**
- ☐ **P1** Finalize and submit Appendix G tenure standards feedback **HARRISON**
- ☐ **P1** Begin recruitment strategy documentation for 2027 cohort **JAMES DAVIS**

● Strategic (Summer–Fall 2026)

- ☐ **P2** LAAB accreditation documentation — verify 5 FTE with new hire + adjuncts **HARRISON**
- ☐ **P2** Identify grant solicitations for LA program technology **HARRISON**
- ☐ **P2** Align program growth with Preeminence 2030 Blueprint (Goal 1) **HARRISON / DR. ARYAL**
